

## Bringing in the New Year Right!

It's 2018, a new year, which means we start our New Year's resolution! Check out our Active Life section for free classes in the Clubhouse. Let's get active and start the new year right!

Also, Vista View is proud to announce our newly redesigned newsletter for 2018. New year, new look! Have a great year and happy new year, everyone!

## Active Life

### Line Dancing

Get your boot-scootin' boogie on every Thursday at 6:00 pm to 8:00 pm. The class is for all levels. The first hour will be learning the steps with Mary Dillman and the second hour will be with music. Slip your boots on and meet us in the Clubhouse for some fun. Ye-Ha!

### Just Inhale and Breathe

Join us every Monday and Thursday for Chair Yoga. Monday is at 8:30 am to 9:30 am, and Thursday is 9:00 am to 10:00 am. The benefits of chair yoga are stress relief, improve strength, and improve flexibility. Eva-Marie Kiley is the instructor. She encourages you to work at your own pace. Bring stretchy clothes, water bottle, and a towel. Eventually, we will go from chair yoga to yoga on the mat.

### T'ai Chi Chih: Healing in Motion

Join us every Tuesday morning at 9:00 am. T'ai Chi Chih is a series of 19 gentle movements and one pose. Movements are easy to learn and can be done standing and adapted to sitting. No special clothing, just wear comfortable, and flat-soled flexible shoes. The purpose of T'ai Chi Chih is to circulate and balance the energy or "Chi" within the body. As the internal energy circulates and comes into balance, health improves and there is an overall sense of well being and joy in life. There is Joy thru movement.

# Community Reminders

---

- If the pool or spa heater is not working on the weekend, please call LC (Chris Cain) at 255-3490. If you use the umbrellas or noodles in the pool area, please make sure you put them away.
- Please shower before entering the pool/spa. Over time, oils and sunscreen mixed with the chemicals, will cause algae to grow in the pool, forcing it to close down to add chemicals in to kill the algae.
- Don't wear street shoes in the pool or spa!
- All vehicles should park all four tires on the pavement, not the sidewalk or curb. Please remind your guests, workmen, or delivery people not to park on the cement. Also, no fuel powered vehicles on the trail. The tires tear up the blacktop.
- Cochise County has a leash law! Pets should be walked on a leash throughout the resort. Please do not walk on other's property, or RV lots. RV guests beware after one warning on picking up after your pet, the second time you will be asked to leave. Residents you also have one warning before a \$25 fine.
- If you live by the gate please do not remote open the gate for people at the gate. This is a matter of community safety.
- The new parking lot at the Clubhouse is complete. The overflow parking is located on the north side of the lot. Behind the houses on Gateway.
- All vehicles will have to be off the sidewalks and streets when the street sweepers come. Please ask Sue for the schedule.
- When using the card house or clubhouse, please take your leftover items with you and clean up the area.
- Please use the wash station in the RV section. Don't wash your vehicle in the streets.
- If you have received mail that does not belong to you, then mark it as such and put it back in your mailbox. Please don't leave it in the clubhouse thinking the mailperson will see it.
- Please check your outside pole light at night once in awhile to make sure it is working properly.

## Attention:

- When using the walkthru gates at entrances to the complex, please close them completely. Whether going out the gate or coming back in, evening walkers are leaving them slightly open... That means it swings open all night and residents have to hear it banging against the fence. Please be considerate.
- The dumpster in RV area is only for RVers or Clubhouse employees. No resident should be using the dumpster unless prearranged for use with a clubhouse function. Apparently residents have been seen using the dumpster.

## Please consider the noise level...

With grandkids coming to visit, please consider the noise level for residents living near the pool when you are at the facility. Kids must be out of the pool by 3:30, this allows other resident to enjoy the pool as well. Visitors must be accompanied by a resident. Never leave kids unattended. 14 years and under are not allowed in the spa. Please clean the grill and tables after using them. Thank you!
