### Just Inhale and Breathe

Join us every Monday and Thursday for Chair Yoga. Monday is at 8:30 am to 9:30 am, and Thursday is 9:00 am to 10:00 am. The benefits of chair yoga are stress relief, improve strength, and improve flexibility. Eva-Marie Kiley is the instructor. She encourages you to work at your own pace. Bring stretchy clothes, water bottle, and a towel. Eventually, we will go from chair yoga to yoga on the mat.

# Community Reminders

---

- If the pool or spa heater is not working on the weekend, please call LC (Chris Cain) at 255-3490. If you use the umbrellas or noodles in the pool area, please make sure you put them away.
- Please shower before entering the pool/spa. Over time, oils and sunscreen mixed with the chemicals, will cause algae to grow in the pool, forcing it to close down to add chemicals in to kill the algae.
- Don't wear street shoes in the pool or spa!
- All vehicles should park all four tires on the pavement, not the sidewalk or curb. Please remind your guests, workmen, or delivery people not to park on the cement. Also, no fuel powered vehicles on the trail. The tires tear up the blacktop.
- Cochise County has a leash law! Pets should be walked on a leash throughout the resort. Please do not walk on other's property, or RV lots. RV guests beware after one warning on picking up after your pet, the second time you will be asked to leave. Residents you also have one warning before a \$25 fine.
- If you live by the gate please do not remote open the gate for people at the gate. This is a matter of community safety.
- The new parking lot at the Clubhouse is complete. The overflow parking is located on the north side of the lot. Behind the houses on Gateway.
- All vehicles will have to be off the sidewalks and streets when the street sweepers come. Please ask Sue for the schedule.
- When using the card house or clubhouse, please take your leftover items with you and clean up the area.
- Please use the wash station in the RV section. Don't wash your vehicle in the streets.
- If you have received mail that does not belong to you, then mark it as such and put it back in your mailbox. Please don't leave it in the clubhouse thinking the mailperson will see it.
- Please check your outside pole light at night once in awhile to make sure it is working properly.

## Attention:

- When using the walkthru gates at entrances to the complex, please close them completely. Whether going out the gate or coming back in, evening walkers are leaving them slightly open... That means it swings open all night and residents have to hear it banging against the fence. Please be considerate.
- The dumpster in RV area is only for RVers or Clubhouse employees only. Residents have designated garbage.
