With winter and cold weather coming please remember to wrap outside pipes to keep them from freezin. You can pickup Pipe Insulation at Ace, Lowes, Home Depot, Sutherlands, etc. If you have pipes wrapped please make sure it's still in good shape. When you buy the wrap make sure you get proper tape to hold the wrap in cold weather.

Did you know?? Cochise County has a leash law! I feel that I must remind everyone that you should be walking your pets on a leash throughout the resort including the walking path. Do NOT walk your pets on other peoples property or RV lots. We have had many recent complaints about pets excreting on homeowners personal property i.e.: bushes, yard decorations, planters, tires, garbage cans, and the public mailboxes. I have also had complaints about not picking up your pets waste. RV guests beware, there will be one warning on picking up pet feces, the second, you will be asked to leave. Resort Residents you also will have one warning and the second time we will be enforcing a \$25.00 fine.

*Please Show Respect.*
